

PWR! Moves Therapist Refresher and Recertification Workshops

Is it time to renew your PWR! Moves Certified Therapist certification?

Were you certified in the last 36 months?

Come spend a Friday morning with our expert NeuroFit Faculty getting refreshed and recertified!

During this workshop, you will:

- Refresh and recalibrate your fundamental **PWR! Moves** skills
- Learn new and advanced **PWR! Moves** content, including new techniques for retraining and sustaining functional mobility
- Practice using task analysis and critical reasoning skills to deconstruct and rebuild function
- Update your knowledge of recent research on PD-specific therapy
- Renew your **PWR! Moves** Certified Therapist certification for another 2 years
